

BESPOKE DANCEWEAR

BESPOKE DANCEWEAR

No matter what kind of team you are we have the right uniform for you. Our massive range of items and extensive knowledge in the business means no matter what you're looking for we can customise the right uniform package for you.

At Axznt we try our best to make the process of sourcing your new school uniform as fun and simple as possible. In this brochure we aim to explain in detail the uniform process and hopefully answer any queries you may be wondering. The team at Axznt handle all aspects of sourcing a new uniform. We can help you with Fabrics and their performance, colour palettes, designs, branding and logo's.

Choosing a UK manufacturer comes with many advantages including no long lead times and no minimum order quantities. This makes re ordering top ups of your uniform quick and easy.

BESPOKE DANCEWEAR

To start the uniform process you can email or call the team and we will get our initial price list to you. We can chat with you to gather all the details regarding your uniform. Once we have received the information on designs, colours and logo placement we will digitally draw up your bespoke uniform as a visual so you can make sure your uniform is perfect and exactly as you imagined. Some examples of how this will look are below. From there once you have approved your uniform we can arrange production of samples for you to test and approve. Once you are happy with your samples you can place your order for your school. We work to a 5 week turn around, which having no long lead times is a great advantage to sourcing your uniform within the UK. We aim to have your order with you within 5 weeks after the order is placed and we use a next day courier to get your parcels straight to you.

JACKETS

Our huge range of jackets and even bigger range of colour combinations allows us to create a completely unique jacket for your team. If that's not bespoke enough for you your team logo can be added in a variety of places to make sure your school stands out from the crowd.

Megan is wearing our AXJKTO2 jacket in black and white meryl.
