PRICING AND PROCESSES

To make sure our prices are fair, we price all of our customers designs individually. Prices depend on the amount of material used, type of garment and the time taken to actually put the garment together.

We have 3 different price brackets to suit your ordering style.

FLEXIBLE DANCE SCHOOL PRICING

This is our standard and most popular pricing structure, because there is no minimum order requirement, prices are fair and it is easy to manage. T-shirts start from £10.70 (Kids Badge T)

TRADE PRICING

This is our most cost effective pricing structure, but it does require a minimum order of 50pcs. You can mix garments styles in batches of 10 to make up the total of 50. T-shirts start from £8.15 (Kids Badge T)

BUDGET PRICING

To help cater for those needing cheaper items, we have created a budget package that will still brand your school perfectly. See next page for pricing and terms.

When you have your prices, ordering is simple;

- Orders made via email with our order form will be sent an invoice. 50% will need to be paid via BACs and the remaining balance before dispatch.
- Orders made on our website are done by your parents and everything is handled online, packaged and sent directly.
- Turn around time is 10-15 working days, free delivery for orders over £200.
